

# Instant Payments

NEW SERVICE

Dear Clients,

We would like to inform you that as of 10. 10. 2019, we will offer you a new service: **instant payments**. We will thus be one of the few banks on the Czech market which have started to provide these payments.

As the name suggests, these payments are processed **in a matter of seconds** 24 hours a day, seven days a week.

You can use instant payments **not only within PPF banka a.s.** but **also between the other banks** that offer this service. They are currently the following banks: Air Bank a.s., Komerční banka, a.s., Česká spořitelna, a.s., Banka CREDITAS a.s., Raiffeisenbank a.s.

You can find the latest list of the participating banks on the website of the [Czech National Bank](#) at all times.

**Up to CZK 400,000 can be remitted and received** between the participating banks. **Payments within PPF banka a.s. are not limited.**

Please use our **Internetbanking** channel for entering individual instant payments manually. You can enter larger numbers of payments in the batch mode in the **Client API**.

Complete and detailed information about instant payments is available in the [Business Conditions of PPF banka, a.s. for Payments](#).

Wishing you a nice day,  
Your PPF banka a.s.
