## 12. General provisions

If the individual contracts for services entered by and between the Client and the Bank contain the terms remuneration, charge or remittance, it is deemed to be the price as per this Price List or the fee individually agreed between the Client and the Bank. Simultaneously with the collected fee a Client is to pay a value added tax (DPH) in case of taxable items of the Price list at the amount stated by the Law no. 235/2004 Coll., as amended.

The Price list numbering of sections and items serves only for easier orientation and is not binding for amendments referring to the Price List. The items agreed with the Client in the Contract always refer to the same item of the Price List.

Where this Price List states that prices are charged on a monthly basis, such prices are charged for every month commenced. When a Payment service is not utilized for whole month, only a proportional amount is charged or the service is free of charge.

Services not listed in this Price List are charged by the Bank at the rate of 100 CZK per each started 15 minutes of work performed, or a fee is agreed on an individual basis between the Client and the Bank.

In addition to the fees stated in this Price list, Bank is also entitled to charge the Client with possible additional expenses required by other banks in connection with payment transactions, provided banking services, postage and communication expenses. In addition to the fees listed in this Price list, Bank is also entitled to ask the Client to reimburse all the fees and charges paid to any administrative or other authority (e.g. a fee for an extract from the Commercial Register, from the civil registry, etc.) incurred while finding or verifying identification data and other similar data (in particular if the client fails to report a change of his/her domicile or a change in the data entered in the Commercial Register, if Bank unofficially learns of the client's death, etc.)

The Bank is entitled to charge the Above-average account balance fee as of the last Business day of a calendar month following December 31 of the calendar year as of which this fee is determined. The Bank is entitled to charge the Above-average account balance fee from an account designed by the Client for fee charging or, if there is no such account, from Client's CZK Payment account or, if there is no such CZK Payment account, from any other account determined by the Bank.
